\$5.4M+

External funding for **44** research projects by faculty for 2023-24

Global intellectual leadership in areas as diverse as economic behaviors, health and aging, and assessing the impacts of climate change

Ongoing partnerships with state departments of transportation, law enforcement, emergency management and others to improve policy and services for Florida's citizens

STUDENT LIFE

Largest percentage among all FSU units of students participating in study abroad opportunities, supported by many donor-funded initiatives

Global and Public Affairs Living-Learning Community gives first-year students the unique opportunity to live alongside peers who are similarly passionate about the social sciences

Hundreds of students placed in public policy internships in Tallahassee and Washington, D.C., through the Applied Politics & Policy Learning Experience Program

#MadeInBellamy initiatives provide life-changing experiential learning and leadership opportunities for students

FLORIDA STATE UNIVERSITY

COLLEGE OF SOCIAL SCIENCES & PUBLIC POLICY

Engaging Today's World, Producing Tomorrow's Leaders

PHILANTHROPIC INVESTMENT OPPORTUNITIES

The College of Social Sciences & Public Policy is committed to educating students to become engaged citizens and supporting faculty research on today's most pressing issues. Additional philanthropic investment is critical for the college to elevate student success and increase faculty impact.

The dean's fundraising priorities include:

- ⇒ Establishing a cadre of **new professorships and chairs**, allowing for the recruitment and retention of top scholars, teachers and policy leaders
- ⇒ Generating critical support for **graduate students**, including funding for research and professional development
- ⇒ Enhancing **#MadeInBellamy** initiatives to provide life-changing **experiential learning opportunities** for students
- ⇒ Increasing funding for **centers and institutes** that produce leading-edge research, inform and shape public policy, and advance college efforts to promote a marketplace of ideas

ENGAGEMENT

Your involvement is vital to the future of the FSU College of Social Sciences & Public Policy. You connect us to our past, create a vibrant path forward filled with opportunities for current students while helping to influence future generations. We invite you to mentor students, offer jobs or internships, share your expertise with students, attend an upcoming lecture and visit us on campus.

IMPACT

Private philanthropic investment from individuals, foundations and corporations allows us to successfully compete with the best universities for world-class faculty members and students.

Impact on Programs, Students and Faculty

Enhanced programs support FSU's academic excellence, attract the best and brightest young scholars and appeal to renowned educators.

Impact on Facilities

Private funding helps maintain and expand our facilities with state-of-the-art technology and collaborative spaces to meet the changing demands of today's students and the employers who will hire them.

Your Impact

Whether your gift is annual, endowed or planned, it helps propel Florida State to a legacy of preeminence.

Give today at **GIVE.FSU.EDU/COSSPP**

YOUR SUPPORT PROVIDES

Centers, institutes and programs that enrich opportunities for students and inform public policy

Funding for experiential learning and international study opportunities for students

Recruitment and retention of top students and nationally recognized faculty

Travel and professional development support for students
