### PHILANTHROPIC INVESTMENT OPPORTUNITIES

The College of Communication & Information has a strong history of scholarly, research, clinical and creative activities that transform students and our communities. Additional philanthropic investment is critical for the college to elevate student success and increase faculty impact.

The dean's fundraising priorities include:

- ⇒ Establishing new **named professorships and chairs**, allowing for recruitment and retention of top faculty members who will significantly expand funded research and inspire students
- ⇒ Generating critical support for **state-of-the-art spaces** that will allow students and faculty to excel and better collaborate
- ⇒ Creating and supporting **innovative programs, activities and organizations** that serve a wide range of students; enhance and expand what students learn in the classroom; and contribute to career success

### IMPACT

Private philanthropic investment from individuals, foundations and corporations allows us to successfully compete with the best universities for world-class faculty members and students.

#### Impact on Programs, Students and Faculty

Enhanced programs support FSU's academic excellence, attract the best and brightest young scholars and appeal to renowned educators.

#### Impact on Facilities

Private funding helps maintain and expand our facilities with state-of-the-art technology and collaborative spaces to meet the changing demands of today's students and the employers who will hire them.

#### Your Impact
