

AT A GLANCE

COLLEGE OF MEDICINE

The FSU College of Medicine develops exemplary physicians, physician assistants and scientists who are caring practitioners of both the art and science of medicine. Graduates practice patient-centered health care, discover and advance knowledge and are responsive to community needs, especially through service to underserved populations. The college is a leader in preparing compassionate physicians to deliver high-quality, patient-centered medicine to communities of greatest need.

BY THE NUMBERS

- 732** Students
- 491** Medical students
- 178** Physician assistant students
- 51** Ph.D. students
- 12** Bridge students

- 186** Faculty

- 4:1** Student-to-faculty ratio

- 2,513** Living alumni

ACADEMICS

Academic degrees: M.D., Ph.D. in Biomedical Sciences, M.S. in Biomedical Sciences—Bridge to Clinical Medicine, M.S. in Physician Assistant Practice, B.S. in Interdisciplinary Medical Sciences

5 Partner in FSU Health—a new health care ecosystem in North Florida that will expand educational, clinical and research activities

9 Regional campuses and training sites in Daytona Beach, Fort Pierce, Orlando, Pensacola, Sarasota, Tallahassee, Marianna, Immokalee and Thomasville, Georgia

306 Health care facilities that provide clinical training to students

STUDENT LIFE

98th Percentile nationally for practicing physicians in underserved areas

253 Residents in graduate medical education programs

14 Residency and fellowship programs

86th Percentile nationally for alumni practicing in primary care

7 Students in the spring 2024 cohort of a new research collaboration with the Mayo Clinic in Florida Division of Research

FACULTY/RESEARCH

\$128M Research expenditures for FY 2020–2024

23 Faculty members receiving awards from external funders

IPRD Institute for Pediatric Rare Diseases (IPRD) dedicated to advancing research and developing treatments for unusual childhood diseases

\$5M Grant from Health Resources and Services Administration to support the North and Central Florida Geriatrics Workforce Enhancement Partnership

\$1.44M Grant from U.S. Department of Defense to further research related to the treatment of post-traumatic stress disorder

12 Academic centers and institutes focused on research and clinical education

FLORIDA STATE UNIVERSITY COLLEGE OF MEDICINE

Preparing compassionate graduates to deliver patient-centered medicine and advance knowledge.

PHILANTHROPIC INVESTMENT OPPORTUNITIES

The College of Medicine is committed to developing exemplary physicians, physician assistants and scientists who will deliver the highest-quality care and advance knowledge. Additional philanthropic investment is critical for the college to elevate student success and increase faculty impact.

The dean's fundraising priorities include:

- ⇒ Establishing **new named professorships and chairs**, allowing for recruitment and retention of top faculty members who allow us to maintain the highest standard of teaching excellence
- ⇒ Creating and bolstering **scholarships** to attract and retain top medical, physician assistant, Bridge Program and interdisciplinary medical sciences students
- ⇒ Generating critical funding for faculty research within the **Autism Institute and Institute for Pediatric Rare Diseases**
- ⇒ Supporting **FSU Health**-related initiatives

ENGAGEMENT

Your involvement is vital to the future of the FSU College of Medicine. You connect us to our past, create a vibrant path forward filled with opportunities for current students and influence future generations. We invite you to share your expertise with current medical students, serve on a community board at a regional campus, host current students traveling for clinical rotations and residency interviews or visit us on campus.

Learn more about getting involved at **MED.FSU.EDU**

IMPACT

Private philanthropic investment from individuals, foundations and corporations allows us to attract world-class faculty members and researchers and top students.

Impact on Programs, Students and Faculty

Enhanced programs support FSU's academic excellence status, attract the best and brightest young scholars and appeal to renowned educators.

Impact on Facilities

Private funding helps keep facilities updated with state-of-the-art technology and collaborative spaces to meet the changing demands of today's students and the employers who will hire them.

Your Impact

Whether your gift is annual, endowed or planned—it helps propel Florida State to a legacy of preeminence.

Give today at **GIVE.FSU.EDU/MED**

YOUR SUPPORT PROVIDES

Recruitment and retention of top students and nationally recognized faculty

Resources for state-of-the-art technology and spaces

Research opportunities for students and faculty

Life-changing clinical opportunities for students
