

AT A GLANCE

FSU PANAMA CITY

Florida State University Panama City (FSU PC) offers life-changing educational and social opportunities that prepare students, faculty and community members to achieve their goals, develop a richer culture and foster a spirit of lifelong learning. Partnering with area military installations, industry leaders and other FSU units, we tailor the educational experience to make higher education more accessible to Northwest Florida residents. The College of Applied Studies, which is administratively housed at FSU PC, prepares students to meet the needs of industry across the country.

PROGRAMS & RESEARCH

Nationally accredited doctoral nurse anesthesia program advances the science and practice of anesthesiology through rigorous scientific education, evidence-based clinical practice and the integration of clinical training into real-world care

Early Childhood Autism Program provides early intervention and community outreach services while giving graduate students hands-on experience and conducting important research

St. Andrew & St. Joseph Bays Estuary Program collaborates with private, public and non-governmental stakeholders to improve science-based understanding of the needs of the region's estuary and to develop, promote and implement projects that protect and restore the health of the bays

Faculty members mentor undergraduate and graduate students in the design and execution of high-quality research projects through the FSU Panama City Student Research Experience

Advanced Science Diving Program educates in techniques related to scientific diving and supports excellence in underwater research

STUDENT LIFE

Recognized student organizations

4

Miles to the beach and just 100 miles from Tallahassee

8

Nature parks for hiking and biking

Students supported through dedicated academic advisors, student success coaches, peer mentors and tutors, robust career services and the Chapman Family Foundation Center for Academic Advising and Student Success

FSU PANAMA CITY

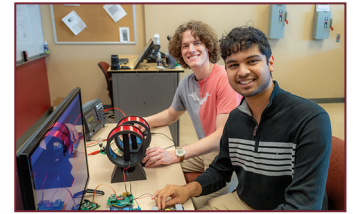

Preeminent University by the Bay

PHILANTHROPIC INVESTMENT OPPORTUNITIES

FSU Panama City is committed to putting students first, improving the Northwest Florida community and advocating for the College of Applied Studies. Additional philanthropic investment is critical for FSU PC to elevate student success and increase its impact.

The dean's fundraising priorities include:

- ⇒ Generating critical support for scholarships and transformational programming for students
- ⇒ Establishing and growing endowments to provide long-term, sustainable support for FSU PC
- ⇒ Enhancing funding for The Collegiate School and its innovative educators, leaders and learners who support and anticipate the sophisticated needs of business and industry in North Florida
- ⇒ Strengthening resources for the Early Childhood Autism Program, allowing for increased community outreach, hands-on experience for graduate students and important research
- ⇒ Bolstering the FSU PC General Fund to provide enhanced support for students and academic programs

IMPACT

Private philanthropic investment from individuals, foundations and corporations allows us to successfully compete with the best universities for world-class faculty members and students.

Impact on Programs, Students and Faculty

Enhanced programs support FSU's academic excellence, attract the best and brightest young scholars and appeal to renowned educators.

Impact on Facilities

Private funding helps maintain and expand our facilities with state-of-the-art technology and collaborative spaces to meet the changing demands of today's students and the employers who will hire them.

Your Impact

Whether your gift is annual, endowed or planned, it helps propel Florida State to a legacy of preeminence.

Give today at GIVE.FSU.EDU/PC

ENGAGEMENT

Your involvement is vital to the future FSU Panama City. You connect us to our past, create a vibrant path forward filled with opportunities for current students while helping to influence future generations. We invite you to mentor students, host a student for a job opportunity and visit us on campus.

Learn more about getting involved at PC.FSU.EDU

YOUR SUPPORT PROVIDES

Recruitment and retention of top students and nationally recognized faculty

Growth of academic programs in emerging and critical fields

Resources for state-of-the-art technology and facilities that support students and transformational programming
