PHILANTHROPIC INVESTMENT OPPORTUNITIES

The Division of Student Affairs believes in the power of the student experience to support learning and success and to develop graduates who positively impact the world. Additional philanthropic investment is critical for FSU to elevate the student experience for everyone.

The vice president of student affairs' fundraising priorities include:

- ⇒ Bolstering support for emergency funds for FSU's nearly 45,000 students to enhance the food pantry, counseling services, case management, clothing closets and more
- ⇒ Generating additional funding for our Flying High Circus expansion, allowing us to not only rebuild the circus, but lay the foundation for a more sustainable, durable structure for the future that will also serve as a performing arts venue
- ⇒ Funding to renovate the Food Pantry, providing much-needed additional space and a better experience for students
- ⇒ Enhancing funding for student life initiatives to address immediate concerns, allowing us to meet the ever-changing needs of our student population
